

On March 6, 2020, the Governor issued Executive Order 2020-215, declaring a state of emergency pursuant to his power under the Kentucky Constitution and KRS Chapter 39A regarding COVID-19, a mild to severe respiratory disease that can result in death.

In recognition of that order, we are taking necessary steps to protect the health of our fellow Kentuckians by engaging in “social distancing” and limiting person-to-person contact in the workplace.

As a result, the PRI Driving Unimpaired 20 Hour New Instructor Certification Training scheduled for October 14 – 16, 2020 and the Kentucky DUI Assessment Instrument Training scheduled for November 17 – 19, 2020 are cancelled. All those registered for the remaining 2020 trainings will receive priority placement in the next available training and will be notified when the dates have been set. Please note that all registered participants for both trainings received similar notification on Friday, August 7. If you have any questions please do not hesitate to contact Rae Williams [rae.williams@ky.gov](mailto:rae.williams@ky.gov). We appreciate your patience and understanding as we continue to adapt and work to keep everyone safe.
